Report on “The Importance of CV for Placements Session”

Introduction:

In the academic year 2019-20, Saffrony Institute of Technology organized a session highlighting the importance of CVs for placements. This event, in which three pre-final year students participated, featured expert guidance from Dr. Sumit Shah. The sessions took place in the spacious Auditorium Hall, creating an optimal learning and interactive environment. Dr. Shah, renowned for his extensive knowledge and experience, shared valuable insights on crafting effective resumes, showcasing key skills, and navigating the job application process.

Event Overview:

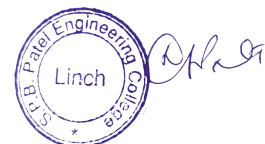

The session specifically focused on the significance of a well-crafted CV in securing placements, emphasizing its role as a crucial tool for making a strong impression on potential employers. With three students in attendance, the event aimed to equip pre-final year students with the necessary skills and knowledge to enhance their employability in the professional world.

Venue and Environment:

The Auditorium Hall served as an ideal venue for the sessions. Its spacious layout allowed for effective learning and interaction between Dr. Sumit Shah and the participants. The choice of venue was strategic, ensuring a conducive environment for the dissemination of key insights related to CV building.

Expert Guidance by Dr. Sumit Shah:

Dr. Sumit Shah, an expert in the field, played a pivotal role in guiding students through the intricacies of creating impactful resumes. Leveraging his extensive knowledge and experience, he provided valuable insights into the elements that make a CV stand out and the best practices for presenting one's skills and experiences.

Key Topics Covered:

The session covered essential topics related to the importance of CVs in the job application process. Dr. Shah delved into the nuances of crafting effective resumes, emphasizing the need to showcase key skills and tailor the CV to align with specific job requirements. The aim was to instill in students a clear understanding of how their CV serves as a vital marketing tool for their professional image.

Interactive Learning Environment:

The Auditorium Hall facilitated a dynamic and interactive learning environment. Attendees actively engaged in meaningful discussions, asked questions, and sought personalized advice to tailor their CVs for success. The interactive nature of the session allowed for a personalized learning experience, ensuring that individual concerns and queries were addressed.

Proactive Approach to Career Development:

The initiative was well-received, fostering a proactive approach to career development among the participants. The insights gained from the session empowered students to view their CVs as strategic assets in their job search journey. By equipping them with the tools to create impactful resumes, the session aimed to enhance their overall employability.

Opportunity for Personalized Advice:

A noteworthy aspect of the event was the opportunity for students to receive personalized advice from Dr. Sumit Shah. This individualized guidance allowed participants to address specific concerns and tailor their CVs to effectively represent their unique skills and experiences.

Conclusion:

The "Importance of CV for Placements" session at Saffrony Institute of Technology in the academic year 2019-20, featuring Dr. Sumit Shah, successfully emphasized the pivotal role that CVs play in the job application process. With a focus on crafting effective resumes and showcasing key skills, the session contributed to the proactive approach to career development among the three participating students. Through such targeted sessions, the institute continues to play a crucial role in preparing students for success in their professional journeys.

TWO-DAY WORKSHOP ON "FLY - FINDING THE LEADER IN YOU"

Date: 6th - 7th March 2019

Duration: 36 hours

Facilitators: Ms. Pavani Agrawal and Ms. Viraj Vora from Competitiveness Mindset Institute (CMI)

Organizer: Saffrony Institute of Technology

Objective:

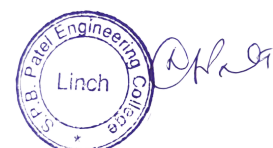

The Saffrony Institute of Technology organized a two-day workshop titled "FLY - Finding the Leader in You" on the 6th and 7th of March 2019. The workshop, spanning 36 hours, was conducted by experts Ms. Pavani Agrawal and Ms. Viraj Vora from the Competitiveness Mindset Institute (CMI). The primary goal of the workshop was to cultivate leadership skills among the participants by focusing on five key pillars: Conscientiousness, Problem Solving, Perseverance, Innovativeness, and Taking Initiatives.

Workshop Highlights:

1. Expert Facilitators:

- Ms. Pavani Agrawal and Ms. Viraj Vora, renowned experts from CMI, led the workshop. Their extensive experience and expertise in the field of competitiveness mindset added significant value to the sessions.

2. Key Pillars of Leadership:

- The workshop revolved around the five essential pillars deemed crucial for becoming a successful leader: Conscientiousness, Problem Solving, Perseverance, Innovativeness, and Taking Initiatives.

3. Interactive Sessions:

- The workshop comprised a series of interactive sessions, discussions, and practical exercises aimed at developing and honing the leadership skills of the participants.

4. Assignments and Capstone Project:

- Participants were actively engaged in various assignments designed to apply the concepts learned during the workshop. The culmination of the program was marked by the successful completion of a Capstone Project by the students.

5. Certification:

- As a testament to their commitment and successful completion of the workshop requirements, all participants were awarded certificates. The certificates acknowledged their efforts in mastering the leadership principles advocated in the workshop.

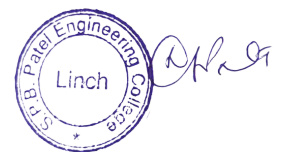

Conclusion:

The "FLY - Finding the Leader in You" workshop proved to be a comprehensive and enriching experience for the participants. The meticulous organization of the event, coupled with the expertise of the facilitators, contributed to a meaningful exploration of leadership qualities. The participants not only gained theoretical knowledge but also had the opportunity to apply these principles through practical assignments and the Capstone Project.

The success of the workshop is evident in the participants' achievement of completing all assignments and the Capstone Project, culminating in the well-deserved receipt of certificates. The event not only empowered the students with leadership skills but also served as a platform for fostering a competitive mindset.

Report on National Conclave on Entrepreneurship, Startup & Innovation - Saffrony Institute of Technology – 2020

Date: 2019-20

Participants: 150

Speakers: Eminent Speakers from Industry and Startup Ecosystem

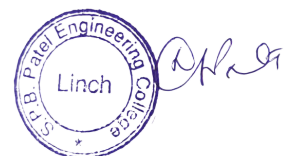

Saffrony Institute of Technology organized a landmark event, the National Conclave on 'Entrepreneurship, Startup & Innovation,' held on 2020. This full-day conclave marked a significant milestone, being the first of its kind in North Gujarat. The event aimed to raise awareness about the importance of innovation and to foster the spirit of entrepreneurship and startup culture among students.

Objectives of the Event:

1. Spreading Awareness: To raise awareness about the potential of innovation and encourage the spirit of startup and entrepreneurship.
2. Interactive Forum: To provide a platform for a meaningful exchange of information between students and successful entrepreneurs and startups.
3. Knowledge Sharing: To bring stakeholders from the industry, startup ecosystem, academia, and scientific research fields together on a common platform for knowledge sharing.

Key Highlights:

1. Inaugural Address: The conclave began with an inaugural address, setting the tone for the day's discussions and activities. The importance of fostering an entrepreneurial mindset and the role of innovation in driving economic growth were emphasized.

2. Eminent Speakers: The event featured talks by distinguished speakers from the industry and startup ecosystem, including Mr. Sunil Parekh (Advisor to Zydus Group), Mr. Anand Choradia (Technical Director of Pravin Masalewala - Suhana Masala), Mr. Jesal Mehta (Founder & CEO of Aavenir), and CEO Arjit Soni (Founder & CEO of MYBYK), among others.

3. Panel Discussions: Interactive panel discussions provided a platform for in-depth conversations on various aspects of entrepreneurship, startup culture, and innovation. Students had the opportunity to engage with industry experts and gain insights into the practical aspects of building and sustaining successful ventures.

4. Networking Opportunities: The conclave facilitated networking opportunities between students, faculty members, and professionals from diverse fields, creating an environment conducive to collaboration and idea exchange.

Outcomes:

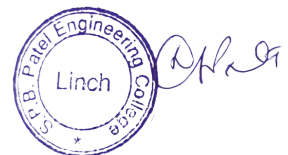

1. Inspiration and Motivation: Participants gained inspiration and motivation from the success stories and insights shared by the eminent speakers.

2. Enhanced Awareness: The conclave successfully increased awareness about the significance of innovation and the entrepreneurial spirit among the student community.

3. Knowledge Exchange: The event served as a platform for meaningful knowledge exchange between academia, industry experts, and startup leaders.

Conclusion:

The National Conclave on Entrepreneurship, Startup & Innovation organized by Saffrony Institute of Technology was a resounding success, fulfilling its objectives of promoting innovation and encouraging entrepreneurship. The event not only provided valuable insights but also fostered a spirit of collaboration and inspiration among

participants, marking it as a pivotal moment in the institution's commitment to nurturing an entrepreneurial ecosystem.

Saffrony Institute of Technology

S.P.B. Patel Engineering College (Diploma Courses)

14th December, 2019

Submitted:

Subject: Report on Self Discipline through Time Management

An expert lecture of Diploma 1st Semester on 13/12/2019 (Friday) organized by S.P.B. Patel Engineering College (Diploma courses).

The event was moderated by Prof. Parixit Pandya. The topic of the expert lecture was “**Time Management**”. The objective of the expert lecture was students understand the importance of time, also why time management is important, how one can stop wasting time, and start using it wisely.

The expert lecture started with the introductory of expert Dr. Vishnu Awasthi by Prof. Parixit Pandya. Prof. Mehul Patel, other faculty members and students welcomes the Speaker.

Time Management is the thinking skill that helps children to prioritize tasks and accurately judge the amount of time needed to complete them. It helps them to complete activities in a timely fashion, and learn to manage and stick to a schedule.

The speech of highly experienced Dr. Vishnu Awasthi gave an illustrative presentation about Time Management. The students get the concept of how to give priority to the particular task, also how can they do utilize time in their day to day life.

It was very appreciated by students as complete session was full of ideas about how to implement our thoughts from drawings to ground.

The students asked different types of questions related to the topic. Outcome of the lecture was students were able to understand the importance of time management.

Students were very happy to get a chance to interact with Dr. Vishnu Awasthi followed by a doubt clearing session. They also thank Department for organizing such an informative talk.

Prof. Dharmendra Kandoi (GTU Coordinator-Diploma) also explains rules & regulations of GTU exam.

At the end, The Principal, faculty members and Students appreciate the speaker.

Report on
Saffrony Professional Skill Development (SPSD)

Date: 15th - 18th July, 2019

Organized by: S.P.B. Patel Engineering College

Speaker: Shri. Sanjeev Sharma

Introduction:

Saffrony Institute of Technology organized a four-day Professional Skill Development Program from July 15th to July 18th, 2019. The program aimed to enhance the professional skills of the students and equip them with essential capabilities to achieve their career goals effectively. Renowned professional speaker Shri. Sanjeev Sharma, with over 26 years of experience in working and training across diverse domains, conducted the training sessions.

Session Overview:

The program covered various aspects crucial for professional growth, including interview skills, communication skills, stepping out of comfort zones, leadership qualities, and more. Shri. Sanjeev Sharma's engaging content and expert delivery captivated the students' attention throughout the sessions, which extended from 9:30 AM to 6:00 PM over four consecutive days.

Key Highlights:

**S.P.B. PATEL
ENGINEERING COLLEGE**

SAFFRONY INSTITUTE OF TECHNOLOGY CAMPUS

1. **Comprehensive Skill Development:** The program focused on a holistic approach to skill development, addressing multiple facets essential for success in the professional sphere.
2. **Unconventional Training Methods:** Shri. Sanjeev Sharma employed innovative and unconventional training techniques to ensure active participation and impactful learning among the students.
3. **Practical Insights:** The sessions provided practical insights and real-life examples, enabling students to relate theory to practical scenarios in the professional world.
4. **Interactive Learning:** Interactive sessions facilitated dynamic discussions, role-plays, and group activities, fostering a collaborative learning environment.
5. **Empowering Students:** The program aimed to empower students by instilling confidence, enhancing self-awareness, and fostering a proactive mindset towards career advancement.

Conclusion:

The Saffrony Professional Skill Development Program, spearheaded by Shri. Sanjeev Sharma, emerged as a resounding success, leaving a lasting impact on the participants. By imparting essential skills and valuable insights, the program contributed significantly to the students' overall professional growth and preparedness for the challenges of the corporate world.

The Saffrony Institute of Technology remains committed to organizing such initiatives to nurture the talents of its students and equip them with the necessary tools to excel in their careers. The program exemplified the institute's
