S.P.B. PATEL ENGINEERING COLLEGE

SAFFRONY INSTITUTE OF TECHNOLOGY CAMPUS

CAREER DEVELOPMENT CELL PLACEMENT

&

HIGHER STUDIES STATISTICS

PRINCIPAL'S MESSAGE

Saffrony's visionary management has been instrumental in elevating the college to its present status where it is increasingly being acknowledged beyond doubt, as an institution of academic excellence in all spheres.

We aspire to develop analytical skills and innovative capabilities of students and faculties to conceptualize, research, design and offer sustainable solutions to address social, ecological, technological and professional challenges in facing the world today, thereby creating value for present and potential stakeholders – students, parents, faculty & staff, the academic fraternity and small, medium and large scale industries.

Our purpose is to foster competitive spirit amongst students to prepare them for future careers like corporate jobs, entrepreneurship, competitive exams for pursuing higher studies in India or anywhere in the world; that is, to shape students into being disciplined, responsible and effective leaders for future generations.

At Saffrony, we believe that 'the pain of discipline is better than the pain of regret' and hence we accord the highest priority to inculcating positive habits of discipline, behavior, attitude and attendance.

We welcome prospective recruiters and academic fraternity to visit our beautiful campus and explore any mutually beneficial relationship, including manpower requirements, expert lectures, industry visits, seminars, workshops, curriculum improvements and research work. We invite all engineering aspirants to visit the campus and discover the joy of learning with us.

- Dr. Harshvadan Patel

ABOUT THE INSTITUTE

The trust in its noble endeavour to serve humanity through education, set up Saffrony Institute of Technology Campus comprising S. P. B. Patel Degree and Diploma Engineering Colleges, also offering Post Graduate and Doctoral Degrees in 2006. Both Institutions are approved by Government of Gujarat, affiliated to Gujarat Technological University and recognized by regulatory bodies like UGC and AICTE.

The college is set amidst 30 acre beautiful, lush green, tranquil surroundings located in North Gujarat, about 40 km from Ahmedabad and 14 km from Mehsana. The students enjoy access to modern learning infrastructure, laboratories and pedagogical tools, smart board equipped classrooms, e-learning, library, well equi   pped departmental laboratories with latest software, audio-visual teaching aids, discussion rooms, stationery store, open air amphitheatre, playground, boys & girls hostels, canteen facility, conference halls, seminar hall and an auditorium. The convergence of the best human and material infrastructure facilitates a robust academic experience which transcends to technical and cultural festivals, expert lectures, seminars and conferences, Wi Fi Campus.

The college has a versatile expert faculty board comprising veterans and intellectual giants from both industry and academia. In fact, CEOs and Directors of some of the most reputed MNCs often come to interact with the student on a regular basis and share industry perspective on their curriculum. Key strengths of the college are a blend of young, experienced and well qualified faculty, modern laboratory infrastructure, rich library resources and focus on holistic development of students and faculty through innovative pedagogy, research, training and consulting to enable them to emerge as confident and technically competent professionals to take on the challenges of the world at large.

ABOUT THE CELL

The **Placement Cell/Career Development Cell** at S.P.B. Patel Engineering College is Constituted to enhance the employability of the students by grooming them for skills, aptitude and communications. The Cell is dedicated to helping students and alumni achieve their career goals. We believe that career development is an ongoing process that starts well before graduation, and our mission is to provide students with the resources, support, and guidance they need to succeed in their chosen fields. Its primary objective is to assist individuals in making informed career decisions, acquiring relevant skills, and achieving their professional goals.

We are committed to helping our students and alumni achieve their career goals, and we take our roles and responsibilities seriously. We are always looking for ways to improve our department and support our students and alumni.

Key features and functions of a Career Development Cell:

• The Cell provides personalized career guidance and counseling services to individuals. This includes helping them explore various career paths, identifying their strengths and interests, and aligning them with suitable career options.
• The Cell offers training programs, workshops, and seminars to enhance individuals' employability skills. These may include communication skills, interview preparation, resume writing, networking skills, and professional etiquette.
• The Cell assists individuals in finding suitable job opportunities or internships aligned with their career aspirations. They establish connections with employers, organize job fairs, and facilitate recruitment processes.
• Cell conducts career-related workshops and seminars to educate individuals about emerging industry trends, job market demands, and essential skills required for specific careers. These sessions help individuals stay updated and make informed career decisions.
• Cell guide in creating effective resumes and cover letters that highlight individuals' skills, experiences, and qualifications. They offer feedback and suggestions to improve these documents and make them more appealing to potential employers.
• Cell facilitates networking opportunities with alumni who have excelled in their respective fields. Alumni networks can provide valuable guidance, mentorship, and potential job or internship connections for individuals.
• CDCs collaborate with industry professionals, organizations, and employers to stay updated on industry requirements, internship opportunities, and job market trends.
• CDCs organize professional development programs such as leadership workshops, entrepreneurship sessions, and guest lectures to nurture individuals' overall professional growth and empower them to become future industry leaders
• The Cell assists students in understanding their strengths and interests and helps them in identifying career goals and to plan the career in such a way that it integrates one's strengths, values and hobbies.
• The students are helped in choosing the right career option or the appropriate course to one's aptitude. The students are made aware about the scope of a course or a career that one is pursuing or planning to pursue in India or abroad.
• Students are encouraged and helped in their pursuit of higher studies. Relevant information regarding higher studies in India and abroad has been collated by the Cell and is available to the students by linkage with US consulate general & Other similar bodies.
• The students are provided with the opportunity to develop professional relationships with the business community through strong network & links
• The student society plays a proactive role by organizing entrepreneurial & social events, professional development events, and other activities throughout the academic year.

CAMPUS RECRUITMENT
TRAINING PREPARATION (CRT PREP)

The Campus Recruitment Training Preparation (CRT Prep) is an initiative by Saffrony Institute of Technology aimed at familiarizing Saffronites with various career options available after graduating from engineering. This program is designed to equip students with essential skills and knowledge necessary for their professional journey from the 3rd semester onward till the 8th semester.

CRT Prep encompasses crucial aspects such as 'How to Write Research Papers?', 'Essay Writing', 'How to Build a Strong CV?', and 'Basics of Time Management'. Additionally, it offers comprehensive training across four levels of Aptitude Training, namely: 'Mathematical Aptitude', 'Verbal Aptitude', 'Quantitative Analysis', and 'Logical Reasoning'.

As part of this program, students actively engage in Mock Group Discussions and Mock Personal Interviews. These simulated exercises are aimed at preparing students thoroughly for the multifaceted recruitment processes, whether in the Public or Private sector, upon graduation.

PLACEMENT ACTIVITIES:
SHARPEN YOUR SKILLS

Enhancing employability goes beyond academic prowess. In today's competitive job market, possessing strong soft skills is imperative. At Saffrony Institute of Technology, we recognize this reality. That's why we've introduced "Sharpen Your Skills," a dedicated program designed to equip our students with essential soft skills identified by the Global Challenge Insight Report, 2016, titled "The Future of Jobs" by the World Economic Forum.

In these two-hour weekly sessions, Saffronites will hone their abilities in effective communication, complex problem-solving, judgment, decision-making, and other critical competencies. By participating in "Sharpen Your Skills," our students will emerge as well-rounded professionals ready to excel in the Fourth Industrial Revolution job market.

INTERNSHIP

- Internships are a pivotal component of the academic curriculum at S.P.B Patel Engineering College, in alignment with the directives laid down by Gujarat Technological University (GTU).

- Final-year engineering students are required to undertake a 12-week internship, offering them an opportunity to immerse themselves in practical, industry-relevant experiences.

- Adhering to GTU guidelines, students furnish a succinct internship proposal to their assigned mentors within three weeks of commencing their internship.

- This internship mandate underscores our commitment to addressing the evolving needs of the engineering sector in Gujarat by equipping students with hands-on skills and industry insights.

- At S.P.B Patel Engineering College, internships serve as a conduit for students to bridge the gap between theory and practice, empowering them for successful transitions into the professional realm.

2	Mansi Chauhan	210390107014	210390107014@saffrony.ac.in	6	CE

NEED OF HIGHER EDUCATION

Engaging in higher education extends far beyond acquiring knowledge; it offers a plethora of benefits that can significantly augment your career and personal growth:

1. Advanced Skills and Expertise: Higher education equips with specialized skills and knowledge highly sought after in today's job market. Earning a degree or certification can qualify you for higher-paying positions within your chosen field.

2. Career Advancement Opportunities: Many employers require a minimum level of education for roles or promotions. Higher degrees can unlock pathways to managerial or leadership positions with commensurate salary increases.

3. Increased Earning Potential: Statistics consistently show a positive correlation between higher levels of education and income. Investing in further education often translates to higher earning potential over the course of a career.

4. Access to Specialized Professions: Certain professions, such as medicine, law, engineering, and academia, demand advanced degrees for entry. These fields typically offer lucrative salaries and abundant growth opportunities.

5. Networking and Professional Connections: Higher education institutions provide fertile ground for networking with professors, peers, alumni, and industry professionals. These connections can lead to job opportunities, mentorship, and invaluable insights that can propel your career forward.

6. Credential Recognition: Employers hold degrees and certifications from reputable institutions in high regard. Obtaining a degree from a prestigious university or completing recognized certification programs enhances your credibility and employability.

7. Specialized Training and Research Access: Higher education grants access to specialized training programs, cutting-edge research opportunities, and state-of-the-art facilities. This exposure enhances your competencies, making you more competitive in your field and potentially commanding higher salaries.

8. Holistic Personal Development: Beyond academic knowledge, higher education fosters critical thinking, problem-solving abilities, and adaptability—qualities highly valued by employers. These attributes contribute to your professional success and long-term earning potential.

While pursuing higher education demands significant investments of time, finances, and effort, the returns—both in terms of career advancement and personal growth—are often substantial. It's imperative to weigh your goals, interests, and the potential return on investment before embarking on further education.

HIGHER STUDIES STATISTICS

HIGHER STUDIES STATISTICS (2019-2023)
POST GRADUATION STATISTICS

YEAR	NAME OF STUDENT WHO ENROLLED FOR HIGHER EDUCATION	PROGRAM GRADUATED FROM	YEAR OF GRADUATION	NAME OF INSTITUTION JOINED	NAME OF PROGRAM ADMITTED TO
2023	AISHWARIYA MAKWANA	CIVIL	2022-23	INDIAN INSTITUTE OF REMOTE SENSING	M.TECH. IN REMOTE SENSING & GIS COURSE WITH SPECIALIZATION IN WATER RESOURCES
2023	PRACHI PARIKH	CIVIL	2022-23	VISHWAKARMA GVT ENGINEERING COLLEGE	ME-CIVIL ENGINEERING
2023	NIMABEN PTEL	MECHANICAL	2022-23	SHERIDAN COLLEGE	PELTN-ELECTROMECHANICAL TECHNICIAN
2023	DHAVAL SUTHAR	MECHANICAL	2022-23	ACPC	ME-THERMAL SCIENCE
2023	BHAUMIK SENGAL	MECHANICAL	2022-23	INDO GERMAN TOOL ROOM	PGTDCC
2023	KEVAL PATEL	IT	2022-23	AUSTRAILIAN GOVERNMENT DEPARTMENT OF EDUCATION	MASTER OF INFORMATION SYSTEM
2023	RAXIT PATEL	IT	2022-23	FANSHAWE COLLEGE CANADA	INFORMATION SECURITY MANAGEMENT
2023	HUZEFA JADIWALA	COMPUTER	2022-23	TECHNISCHE UNIVERSITAT	MASTER OF WEB ENGINEERING
2023	DEV PATEL	COMPUTER	2022-23	UNIVERSITY OF NEBRASKA	MASTER OF SCIENCE - COMPUTER SCIENCE MAJOR
2023	SHAHRUKH SAIYAD	COMPUTER	2022-23	PACE UNIVERSITY	MS
2023	NIR SHAH	COMPUTER	2022-23	INDIAN INSTITUTE OF INFORMATION TECHNOLOGY	M.TECH.
