Once the payment has been received, a PDF receipt will be emailed to you or your agent if you have applied through an agency. If a request for withdrawal is not received within the first 10 working days of the term, no refund for the first semester will be issued. *Disclaimer: Circumstances beyond the college's control, including but not limited to war, civil unrest, economic or natural disaster, sanctions and other legal restraints may prevent, delay, or otherwise affect the college's ability to provide a refund or to make any payment.* Please see our policy on our website.

STUDY PERMITS

After you receive your official Letter of Acceptance, you may apply for a study permit. Visit www.cic.gc.ca for information about obtaining a study permit. Once your study permit has been approved, please send a copy to RegInternational@GeorgianCollege.ca along with your student number and confirmation of your arrival date.

HEALTH INSURANCE

As an international student, health insurance is mandatory and is included in quoted tuition fees. You must be registered into courses in an academic semester or registered for a work term/co-op term in order for health insurance coverage to begin for that term. If you arrive early, you may need to purchase additional insurance. Please visit the Health Insurance web page for more information. If you officially withdraw from the College (or transfer to another institution) after the Add/Drop deadline, your health insurance coverage will not be refunded.

CO-OP INFORMATION

International students in work integrated learning programs, such as co-op, internships, practicum, field placements, must have a valid co-op work permit in order to complete their work term in Canada. Due to lengthy Immigration processing times, we recommend students apply for this as soon as possible, prior to arriving in Canada, as any delay can impact their eligibility to work. Co-op Consultants provide resources and support including job postings; however, students must also complete an independent job search to maximize their success in securing co-op positions. Students can increase their opportunity for success with a valid driver's licence and flexibility with work term locations. **Students should apply for their co-op work permits when they apply for their study permit.**

REGISTRATION

Students are required to register themselves in classes **prior to arrival**. Registration is permitted for students who have provided confirmation of an approved study permit. Study permits should be uploaded to the IAS Applicant Portal. Accommodations will be considered for students experiencing delays in processing. Registration dates and times will be available in Banner two (2) months before classes start. To log in to Banner, your username will be: xxxxxxxxx@student.georgianc.on.ca and your initial password is your date of birth (YYYYMMDD). You will be required to change your password after your first login. Once you have changed your password, you must register to reset your password . At your registration time, you will sign in to your Banner account and register for your classes. Check Important dates for the first and last day to add or drop courses. Once you register, no changes can be made to your timetable until the add/drop period opens. You are responsible for the fees associated with your registration and must communicate a formal withdrawal to the college if you are unable to attend.

FORMS AND PLACEMENT REQUIREMENTS

A co-op work permit is required to begin placement. Many programs, particularly in Health and Wellness, Community Safety, and Human Services, include placements that require immunization or criminal record checks among other possible requirements. These requirements must be met before your placement starts. It is your responsibility to ensure that you are eligible to participate. Click on the "Placement requirement forms" tab on GeorgianCollege.ca/admissions/forms to see if your program has requirements you need to meet before the term starts. If you have questions, find your program coordinator's contact information at GeorgianCollege.ca/full-time-programs.
