February 28, 2024, Avani managed Aayush directly

I feel very happy to write this recommendation for Aayush Khokhani. Aayush was a bright and enthusiastic student who consistently excelled in academics and embodied an array of good qualities. Talking about his classroom presence, he made one of the most compelling & creative presentations in class, actively engaged in discussions, and always had something substantial to contribute. His dedication extends beyond the classroom, as he would always be ready to take up any task at an institute level, always ready to volunteer in events and the fact that he possessed excellent communicatio...

Having successfully led over 20 anchorings with finesse, Aayush has repeatedly demonstrated his capability to excel in diverse roles and as an excellent communicator.
