### LETTER OF APPRECIATION

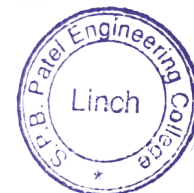

NIB School of Science extends its heartfelt appreciation for the outstanding initiative taken by S.P.B. Patel Engineering College in organizing a program aimed at road user safety.

The session conducted on April 26th, 2019, to educate students about the significance of road user safety was truly commendable. Your dedication to empowering young minds with knowledge about road users, including both drivers and pedestrians/cyclists (the so-called 'vulnerable road users'), was evident. Their behavior represents the area with by far the biggest potential for improving road safety.

The program provided invaluable insights into the appropriate behavior and attitudes of road users. The younger generation must be aware of their limitations, the dangers of speeding or texting behind the steering wheel, and the influence of alcohol or drugs on their ability to drive. By engaging our students in meaningful discussions and activities, you have made a significant impact.

We commend S.P.B. Patel Engineering College for its unwavering commitment. Your efforts have undoubtedly inspired us.

### APPRECIATION LETTER

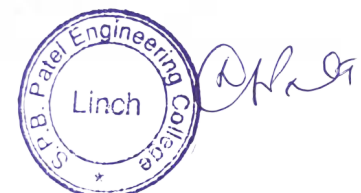

I am pleased to convey warm greetings on behalf of NIB School of Science to express our genuine appreciation for the significant contribution made by Saffrony Institute of Technology to enhance our students' learning experience on the topic of Mobile Addiction.

The session held on January 18<sup>th</sup> 2020, which spanned 3 to 4 hours, proved to be a valuable experience for the 450 students present in campus. Your commitment to addressing the pressing issue of mobile addiction and its potential impact on the lives of students is commendable. The information shared and discussions facilitated during the session undoubtedly contributed to enhancing the awareness and understanding of this significant societal concern.

We were particularly impressed by the engaging and interactive nature of the session, which fostered a positive learning environment for the students.

It is heartening to witness educational institutions collaborate in such a manner to provide students with valuable life lessons beyond the traditional academic curriculum. The dedication of Saffrony Institute of Technology in addressing contemporary challenges faced by students is noteworthy and aligns with our shared commitment to nurturing well-rounded individuals.

### APPRECIATION LETTER

I extend warm greetings to you on behalf of Adijati Kanya Ashramshala, Banaskantha, to express our sincere gratitude for the valuable session conducted by Saffrony Institute of Technology on January 22, 2022, regarding mobile addiction, spanning 3 to 4 hours.

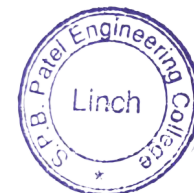

The interactive life learning session on Mobile Addiction proved to be insightful and impactful, addressing a critical issue that affects the well-being of individuals in today's digital age.

We appreciate the comprehensive and engaging content shared during the session, providing our 375 students with practical insights and strategies to manage and overcome mobile addiction. The session's relevance to their daily lives and its potential to positively influence their habits were particularly commendable.

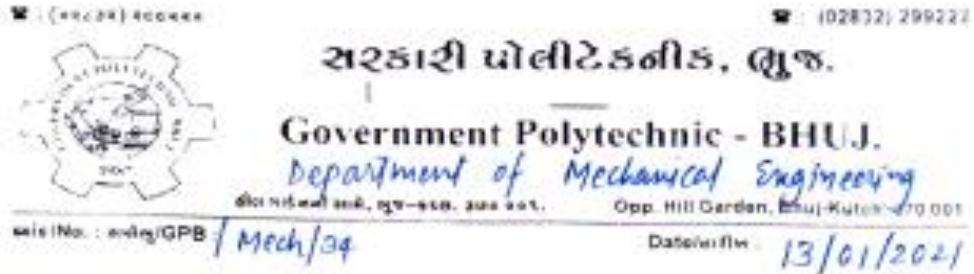

We would like to express our sincere gratitude to the entire team at Saffrony Institute of Technology for sharing your expertise and facilitating a session that was both educational and inspiring. Your dedication to fostering a healthier digital lifestyle aligns with our mission to empower our students with essential life skills. We believe that such initiatives contribute significantly to their personal development and overall well-being.

### APPRECIATION LETTER

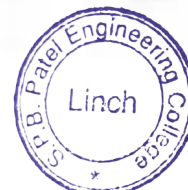

On behalf of NIB School of Science, I extend my sincere appreciation for the enlightening and interactive life learning session conducted by Saffrony Institute of Technology on goal setting and time management.

The session, held on December 17th, 2022, spanning a commendable 2 hours, proved to be an invaluable experience for the 400 students who actively participated. Your commitment to addressing the crucial aspects of goal setting and time management is commendable and aligns seamlessly with our mission to equip our students with essential life skills.

The content delivered and the interactive nature of the session captivated the attention of the students, providing them with practical insights and tools to enhance their goal-setting abilities and time management skills. Your expertise in facilitating a dynamic and engaging learning environment did not go unnoticed, and the positive impact on our students is evident.

We appreciate the collaborative spirit and dedication demonstrated by Saffrony Institute of Technology in contributing to the holistic development of our students. Such sessions are instrumental in preparing them for future challenges and instilling a sense of purpose and efficiency in their academic and personal pursuits.

## 11. Skill Development Workshop for Unemployed Youth at Utkarsh Vidhyalay, Mehsana:

### **Skill Development Workshop for Unemployed Youth**

**Date:** 16-9-2020

**Time:** 10:00 AM to 1:00 PM

**Location:** Utkarsh Vidhyalay, Mehsana

**Students Participated:** 75

**Faculty Involved:** 5

**Organized by:** Saffrony Institute

### **Introduction:**

The Skill Development Workshop for Unemployed Youth, an initiative by Saffrony Institute, successfully concluded on 16th September 2020, at Utkarsh Vidhyalay, Mehsana. This report outlines the key components, achievements, and future plans of this impactful endeavor.

### **Overview:**

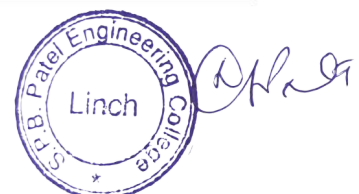

During this activity, Saffrony Institute collaborated with a nearby Mehsana School, Utkarsh Vidhyalay to extend the reach of the skill development workshops. The objective was to empower a larger number of unemployed youth with the skills necessary for improved employment prospects.

### **Variety of activities:**

To cater to diverse interests and career paths, a variety of activities were organized covering essential skills such as resume building, interview techniques, and practical vocational training. This approach ensured participants gained a well-rounded skill set applicable to various job sectors.

### **Collaboration with Local Businesses:**

Recognizing the importance of industry connections, the institute collaborated with local businesses to understand specific skill requirements. This collaboration facilitated the design of workshops tailored to the needs of the local job market, thereby increasing the employability of workshop participants.

**Hands-On Training Sessions:**

The workshops incorporated hands-on training sessions, providing practical experience through simulated job interviews, real-world problem-solving exercises, and interactive activities. These elements aimed to reinforce the skills learned during the workshops.

**Measurable Impact:**

Regular assessments were conducted to measure the impact of the skill development workshops. Positive outcomes included increased confidence among participants, improved job-seeking skills, and a higher rate of successful job placements.

**Participant Success Stories:**

The impact of the workshop was further highlighted through success stories of participants who secured employment or advanced their careers after attending the sessions. These success stories serve as inspiration for others, emphasizing the tangible benefits of the initiative.

**Feedback and Continuous Improvement:**

Feedback from the 75 participating students and 5 faculty members played a crucial role in refining the approach. Through surveys and discussions, valuable insights were gathered on the effectiveness of the workshops, leading to continuous improvements to better meet the needs of the unemployed youth.

**Conclusion:**

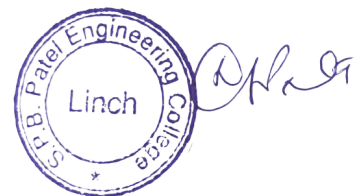

The Skill Development Workshops for unemployed youth at schools, led by Saffrony Institute, has positively contributed to the community's welfare. The measurable impact, success stories, and continuous improvements demonstrate the effectiveness of this initiative in addressing unemployment challenges. As the journey continues, the institute remains dedicated to empowering more individuals with the skills needed for a brighter and more secure future.

## 12. Safety Protocol and Precautionary Education Session

# Amee Construction

Civil Engineers and Contractors

Date: 06.05.2022

To,  
S.P.B Patel Engineering College  
Near Shanku's Water Park,  
Ahmedabad – Mehsana Highway, Linch,  
Gujarat 384435

I extend warm greetings to you on behalf of Ameer Construction.

It is with immense pleasure and gratitude that I write this letter to express our sincere appreciation for the valuable contribution made by your institution to our workers' learning experience.

On 1st, May 2022, the faculties of Civil Engineering conducted a safety protocol and precautionary education session as part of Safety Week to celebrate Workers' Day. These events not only save lives but also set new industry standards for health and safety, marking the company as one with a positive and safe work environment.

We would like to express our sincere gratitude to the entire team at Saffrony Institute of Technology for sharing your expertise and facilitating a session that was both educational and inspiring. Your commitment to empowering our workers with the knowledge of how to protect themselves has left a lasting impression on our company.

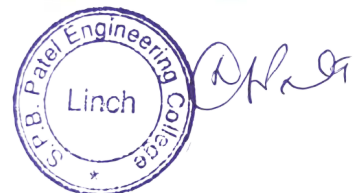

Warm regards,

For Ameer Construction

## 13. Fall Protection and Prevention session

# Amee Construction

Civil Engineers and Contractors

Date: 03.05.2023

To,  
S.P.B Patel Engineering College  
Near Shanku's Water Park,  
Ahmedabad – Mehsana Highway, Linch,  
Gujarat 384435

I extend my warm greetings to you on behalf of Amee Construction.

It is with immense pleasure and gratitude that I pen this letter to express our sincere appreciation for the valuable contribution made by your institution to our workers' learning experience.

On 1st, May 2023, your faculties of Civil Engineering conducted a Fall protection and prevention session as part of Safety Week to celebrate Workers' Day. This training program teaches workers how to identify and assess potential fall hazards and the proper use and maintenance of fall protection equipment. Well-structured fall protection and prevention training should also include information on guardrails, safety nets, personal fall arrest systems, and the importance of proper housekeeping on construction sites to minimize tripping hazards. Another important aspect for workers to understand is how weather conditions can affect fall risks and how to plan accordingly for hazardous weather.

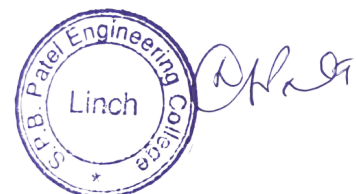

We would like to express our sincere gratitude to the entire team at Saffrony Institute of Technology for sharing your expertise and facilitating a session that was both educational and inspiring. The commitment to empowering our workers with the knowledge to protect themselves has left a lasting impression on our company.

Warm regards,

Amee, Ashram Road, Godhra - 389001, Gujarat, India

### APPRECIATION LETTER

**Date:** November 4th, 2021

Dear **S.P.B. Patel Engineering College,**

On behalf of Kankaria Precast Pvt. Ltd., we extend our heartfelt appreciation to S.P.B. Patel Engineering College for the remarkable initiative undertaken on November 4th, 2021, in collaboration with our Industry.

The Diwali cloth distribution drive organized by the college, focusing on expressing gratitude to the dedicated support staff, was truly commendable. We were deeply impressed by the thoughtful approach taken to celebrate Diwali through this unique and meaningful endeavour.

The event's emphasis on fostering a sense of unity and appreciation within the institute community aligns perfectly with the values we uphold at Kankaria Precast Pvt. Ltd. We believe that acknowledging the contributions of every individual, including the often-overlooked peons, sweepers, and workers, is essential for creating a positive and inclusive environment.

We commend S.P.B. Patel Engineering College for its dedication to celebrating Diwali in a meaningful and impactful way. It is initiatives like these that truly make a difference in creating a positive and inclusive environment.

Once again, we express our sincere appreciation for the opportunity to collaborate on this initiative and look forward to future endeavours together.

Warm regards,
