WHAT IS PROFESSIONAL LIFE SKILL DEVELOPMENT PROGRAMME (PLSD)

In the present scenario, technology plays a pivotal role in transforming our world and our lives. Technology has become an integral part of day-to-day life. In a constantly changing environment, life skills have become an essential need to meet the challenges of everyday life. A set of basic rules that are acquired through everyday work experience is termed professional life skills. These skills are useful not only for a healthy society but also for successful individuals and it enable people to deal with different issues, tasks and challenges effectively, which one faces daily. Life skills are not only essential but also important as these bring success and wealth in the life of an individual

To cater to the need of the hour, Assumption College has initiated various programmes, to cope with the increasing pace and change of modern life. These programmes would enable young minds to develop a greater sense of self-awareness and would help them to become better human beings.

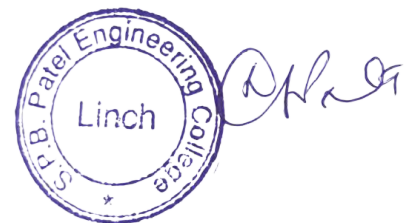

IMPORTANCE OF PROFESSIONAL LIFE SKILL DEVELOPMENT PROGRAMME (PLSD)

PLSD at SPB Patel Engineering College is vital for students' success:

- **Employability Boost:** Enhances skills valued by employers, increasing job prospects.
- **Career Preparation:** Readies students for the professional world, understanding workplace dynamics and industry expectations.
- **Soft Skills:** Develops communication, teamwork, and adaptability, essential for any profession.
- **Personal Growth:** Builds confidence, resilience, and a positive mindset.
- **Networking:** Provides opportunities to connect with professionals for internships and mentorship.
- **Entrepreneurship:** Nurtures business skills for those inclined towards entrepreneurship.
- **Holistic Education:** Ensures a well-rounded education beyond technical knowledge, fostering societal contribution.

In essence, PLSD equips students with the skills, mindset, and connections necessary for a successful career and a fulfilling life.

3

IDENTIFYING THE PROBLEM !

of Engineers Graduating from Gujarat every year = 50000 (approx.)
Percentage of "Employable" Engineers = 20%

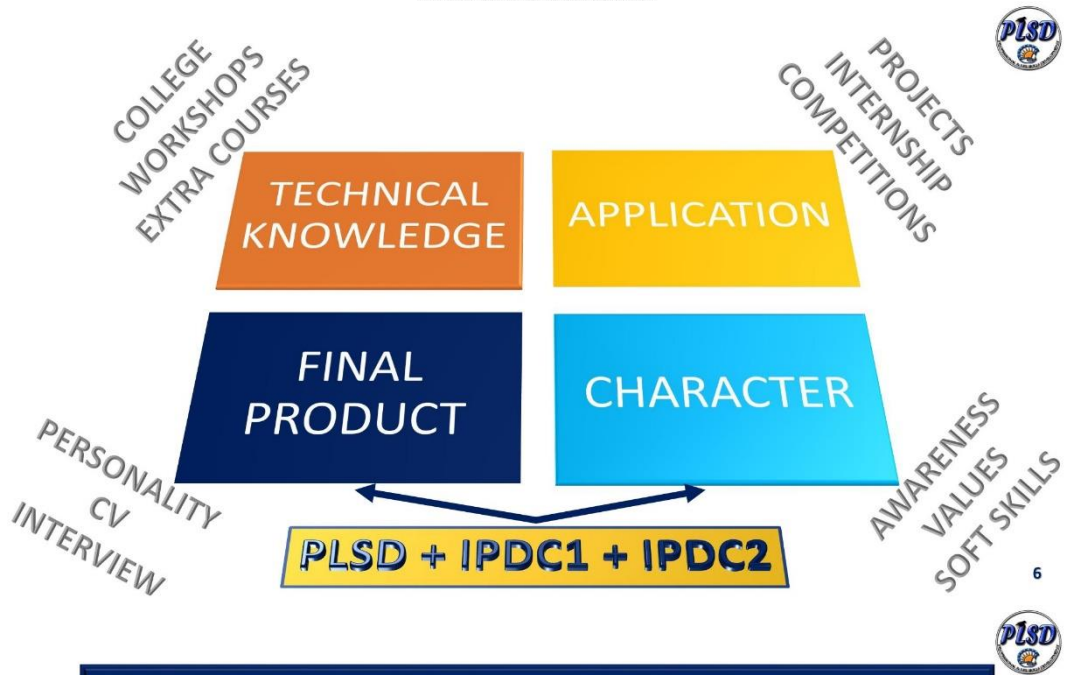

4

UNDERSTANDING THE PROBLEM !

- ✓ Entire focus of students (and even parents) is on marks and grades. Nothing wrong in it. Course-work is very important; excelling in exams and getting good marks is also equally important. But will that be ENOUGH?
- ✓ Gap between textbook knowledge and practical knowledge.
- ✓ Reluctance to learn beyond the text-books.
- ✓ Only 36% do any projects beyond course-work.
- ✓ Lack of SOFT Skills, Corporate Values and Real World Technical Experience.
- ✓ Only 40% go for an internship.

5

METHODS

- ✓ Interactive Sessions
- ✓ Assignments: Individual and/or Team
- ✓ Presentations: Individual and/or Team
- ✓ Quizzes
- ✓ Public Speaking
- ✓ Assessments

PROFESSIONAL BEHAVIOUR

- PUNCTUALITY**
- SINCERITY**
