To maintain the momentum of quality consciousness is crucial in Colleges. Every College should have an internal quality assurance system, with appropriate structure and processes, and with enough flexibility to meet the diverse needs of the stakeholders. The internal quality assurance mechanism of the institution may be called "Internal Quality Assurance Cell (IQAC)". The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the colleges. The IQAC may channelize and systematize the efforts and measures of an institution towards academic excellence.

Composition of the IQAC as per UGC/NAAC guidelines for affiliated institutes is as under.

- Principal/Director - Chairperson
- Three to Eight Teachers of all levels - Members
- One senior administrative official – Member
