

S.P.B. Patel Engineering College, motivate students to participate in the unique initiative of GTU i.e. Vishwakarma Yojna

VISHWAKARMA YOJANA

GTU is allotted an important and prestigious project of Vishwakarma Yojana by the government of Gujarat through the Commissionerate of Technical Education for the year 2012-13. It is also proposed to frame “Vishwakarma Yojana” to provide the benefit of real-world experience and simultaneously apply technical knowledge in the development of rural infrastructure planning & management by students of GTU. The contribution and the hard work put in by the GTU students have made this project go on a smooth sail and indeed will be a huge success.

Vishwakarma Yojana, facilitated by Gujarat Technological University, involves engineering students in holistic village development, integrating physical, social, and renewable infrastructure. This initiative aims to mitigate urban pressure by fostering self-sustaining 'Rurban' areas, offering hands-on experience while addressing rural development needs for sustainable progress.

GUJARAT TECHNOLOGICAL UNIVERSITY (Accredited with A+ grade by NAAC) Vishwakarma Yojana
