Patel Engineering College, Ahmedabad-Mehsana Highway, Linch, Mehsana 384435 (Saffrony Institute of Technology - SIT) and Accent Engineering & Design Services having its main office at 711, Haveli Arcade, Sector-11, Gandhinagar, Gujarat.

Whereas both the parties hereto have shown their willingness to enter into an MOU with the following objectives, mainly to enhance the quality of industry-academic engagement:

1. Objectives

- 1.1 Accent Engineering & Design Services and SIT will on reciprocal basis provide guest lectures and training to their respective student on special topics of mutual interest.
- 1.2 To organize joint workshops, seminars, and programmes on subjects of contemporary interest in various fields of technology in various domains of engineering.
- 1.3 Based on research areas jointly identified, few interested students from the institute can take it as their research projects at UG level. The research projects could be carried out at SIT or at Accent Engineering & Design Services locations in India.
- 1.4 Based on the themes / challenges / issues identified by Accent Engineering & Design Services, a lecture series may be organized by calling experts (in house and outside). Industry experts could also be invited by SIT with an aim to fill the gap between curriculum and industry practices.
- 1.5 SIT would support Accent Engineering & Design Services in research relating to operations / troubleshooting.
- 1.6 SIT will provide intellectual support for any event organized/sponsored by Accent Engineering & Design Services and also work as knowledge partner in areas of mutual interest subject to prior consent of both parties.
- 1.7 Accent Engineering & Design Services to support training for SIT students at its various locations and group entities at mutually convenient time.
- 1.8 Accent Engineering & Design Services would provide industrial training (also called Industry Defined Project) and assign short-term project work to SIT students of various disciplines/branches of engineering.
- 1.9 Accent Engineering & Design Services would support and advise SIT in aligning the academic curriculum to match industry expectations.
- 1.10 Accent Engineering & Design Services would give an opportunity to SIT students for On Campus Interview selection with respect to Accent Engineering & Design Services's manpower requirements for hiring Engineering graduates.

2. Obligations

- 2.1 This MOU between SIT and Accent Engineering & Design Services shall not be exclusive to both parties and shall not disallow each party from having similar understanding with others.

- 2.2 Each party shall respect the other's intellectual property and shall not use any trade name, trade mark, symbol or designation belonging to the other, to the detriment of the other. No party shall hold out as an agent or representative of the other or create any liability for the other.
- 2.3 Both parties shall maintain confidentiality about any information, course material, plans, discussions, strategies, or any material, which shall be deemed to be confidential and marked accordingly. Any information, course material or the like in the public domain shall not be part of this commitment.

3. Limitations & Warranties

- 3.1 Each party shall ensure that the other is not put to any liability for any act of the respective party.
- 3.2 Each party represents that they have the full power and authority to enter into this MOU in general.

4. Validity
