Dear Mohmmadibhai/Vipulbhai

please note that we want to launch sms system during Orientation Programme of student and parents being conducted in next week.

In this connection, please find attached herewith attendance slip being used by each teacher presently.

We request you to guide us as to how the data of this attendance slip can be inserted in ERP System. So that we can give this same training as well as right to authorised teachers, who will do this task.

Please feel free to contact us, if you find any difficulty to understand our above mentioned requirement.

Regards
